

PROFILE

I am Brandon Pizer, a second-year college student attending Colorado State University. My major is Ecosystem Science and Sustainability, and my minor is Geospatial Information Sciences (GIS).

I am very involved at Colorado State University. As a freshman, I was accepted into the Honors College, and I joined the Delta Chi Fraternity, acquiring a board position (Recruitment Chair) after only one semester.

I am a versatile worker, critical thinker, and multi-tasker who would be a great fit for any job or team.
